

**Court of Appeals, State of Michigan**

**ORDER**

People of MI v Earl McKinley Chadwick Jr

Docket No. 280256

LC No. 06-005613

Brian K. Zahra  
Presiding Judge

Helene N. White

Karen M. Fort Hood  
Judges

---

The Court orders that the delayed application for leave to appeal is DENIED for lack of merit in the grounds presented.

White, J. Because there is record support for defendant's claim that he made a request for appellate counsel at sentencing, I would treat this case as if a claim were properly filed pursuant to that request and grant the application.
